FIRST IN RESULTS TO ADVERTISERS

NUMBER 6

Schools Open; Grade Attendance Lower, Hi Higher

Parochial School Affects Enrollment of Lower Grades; Said

Antioch's public schools were in full operation today as approximately 586 boys and girls turned to their books after three months of vacation.

The grade school saw a decided drop as more than 60 pupils prepared to transfer to the new St. Peter's parochial school which probably will open next week with an enrollment of 200.

Principal Richard Whitacre said that 269 registered last Friday, but that he is expecting nearly 25 more to register this week by reason of their late return from vacations or transfer.

He said that the big kindergarten enrollment last year has moved on to the first grade this year and the kindergarten enrollment is down 25 pupils.

The registration Tuesday stood at 284 for the school distributed as follows:

Kindergarten, 27; first grade, 39; second grade, 34; third grade, 32; fourth grade, 22; fifth grade, 35; sixth grade, 33; seventh grade, 32; and eighth grade, 30.

Last year the peak enrollment was 348.

Enrollment in Antioch Township High school today was approximately 300, T. R. Birkhead, said. This is the highest enrollment the school has had.

Classes started off smoothly yesterday and classes were easily formed. The teachers heard an excellent program at the one-day institute in Waukegan on Tuesday.

Wadsworth Fireman Killed, Four Others Injured in Car Crash

Rescue Squad Aids Woman Whose Car is Struck By Fire Truck

The Antioch Rescue squad gave first aid in an accident Saturday afternoon in which a Wadsworth fireman was killed, and four others seriously injured.

The squad gave aid to Mrs. Mollie Rasmussen, 55, of Zion, taking her to St. Therese hospital in Waukegan where fractures of both of her legs were reduced.

George Kull, 61, owner of Duck Inn at Wadsworth, and driver of the Newport township fire truck which collided with Mrs. Rasmussen's car was instantly killed, and three other firemen, Louis Goetz, Henry Bedker and John Iwanski were taken by ambulance to St. Therese hospital in a serious condition suffering from multiple fractures.

The firemen were returning from a grass fire along the Chicago, Milwaukee and St. Paul railroad and in going south on Kibbourn rd., met the Rasmussen car as it was driven on Rte. 173 at the intersection. The impact was terrific and not one escaped injury.

Mr. Kull was a charter member of the Newport fire department which was organized two years ago last December.

His funeral was held Tuesday afternoon at Waukegan with burial in Chicago.

Surviving are the wife, a son, George, Jr., Winthrop Harbor and a daughter, Mrs. Doris Hain, of Hayward, Wis.

Fire Chief LeRoy Fritz and other members of the department had gone on call to Irving rd., on Rte. 41 to extinguish a burning automobile. The 1937 Studebaker car of William A. Wenzel of 3270 Marionette ave., Milwaukee was virtually a total loss from fire which started in defective wiring near the battery.

Wenzel was driving to Chicago when he noticed smoke coming from the dash. He stopped the car and got out but had nothing with which to put out the blaze.

It was while Fritz was asking the sheriff's office what to do with the burned car that he learned of the accident of his comrades in the other fire truck.

Lake View Elects Officers
The Lake View Subdivision held its annual meeting Sunday and elected as officers for the ensuing year: Harry Smith, president; J. B. Walthier, incumbent, vice-president; and Lillian Woods, incumbent, secretary-treasurer.

Village to Start Fining Car Owners Delinquent On License Stickers

Residents of the village who do not have their automobile license sticker by Sept. 15 will find in its place a tag subjecting them to a fine.

This was the decision of the village board Tuesday evening when it instructed Marshal Walter I. Scott to pass out the tickets.

The village police will not wait for the cars to appear upon the street but will give them when they make the rounds reading meters.

Clerk Laurel D. Powles said that not more than 300 car owners have obtained the stickers this year, and Trustee Merrill Cunningham says there should be 600.

It will be a matter of economy, they said, for car owners who do not yet have the \$5 license to appear at the Ford garage in obtaining them from the village clerk.

"When we start handing out tickets and they have to pay the \$5 fines you will see them coming in," the trustees commented.

Just who would be the first ones was not mentioned but one trustee said they might start at the garages.

Two persons who failed to pay their parking fines drew the heavier penalty of \$1 and costs, the report of the village magistrate showed. No fewer than 345 persons or more than 11 persons a day received parking fines in August.

Harry R. Nickerson, 58 of Lake Villa, Dies at Work in North Chicago

Funeral services were held at 2:30 Monday at the Strang funeral home for Harry R. Nickerson, 58, of Cedar Ave., Lake Villa, who died unexpectedly Friday, Sept. 2, at the Marquette st., building of the Fansteel Metallurgical Co., in North Chicago where he was employed as a guard.

Mr. Nickerson was lifeless when found at 4:30 a. m. by a janitress when she came to work. Indications were that he was reading a book seated on a stool at his desk after making his 4 o'clock round when he suffered a heart attack, and passed away instantly.

Born in Chicago Apr. 29, 1891, the son of Mr. and Mrs. Frank Nickerson had resided in Lake Villa 24 years. He was a member of the Lake Villa fire department and had been village marshal seven years prior to taking the job as guard at the North Chicago factory. He had suffered several heart attacks in recent years.

He is survived by his mother, Mrs. Clara B. Nickerson, of Crown Point, Ind., the wife, Mary E. Nickerson, two daughters, Mrs. Helen Hanson, of Grayslake, and Juanita Kay Bergman of El Monte, Calif., two sons, Russell, of Lake Villa, and Gene R., a marine at Camp Lejeune, N. C., and five grandchildren.

The Rev. T. E. Rodd of the Lake Villa Methodist church had charge of the service at the funeral home and at Angola cemetery, Lake Villa where burial took place.

Gifts to Rescue Squad Start Coming in After Letter Appeal is Made

Gifts to the Antioch Rescue Squad fund began coming in this week with the delivery of letters asking for contributions, Harry J. Krueger, chairman of the committee in charge, said yesterday.

The Lions club contributed \$208 from carnival receipts which added materially to the nest egg previously established by a subdivision.

"We will begin listing contributions starting next week," said Krueger, who said the holiday had prevented mail deliveries and had interrupted the work of compiling figures and names.

Over the weekend the Rescue squad continued to demonstrate its value to the community by answering important calls.

Sept. 8, 1949

Mr. Harry Krueger:

Here's a check for \$15.00 our contribution to Antioch Rescue Squad. It's a privilege and a pleasure to make this donation.

I hope at least one thousand residents in this area served by the

New Sanitary Law to Be Enforced at Three Lakes to End Pollution

Chain O' Lakes Council Acts To Make Resort Area More Healthful

Third lake, Deep lake and Duck lake have been selected by the Chain O' Lakes Region council for application of the new state law in abolishing sources of pollution. William Wood, Jr., secretary of the council announced.

The new law that came out of senate bill No. 277 is said to have such sharp teeth in it that early results can be obtained in ending pollution. The Chain O' Lakes council formed to promote health conditions is anxious to put it in force.

The bacteria count of the water of Third Lake has increased tremendously, according to Wood, and the other lakes are becoming steadily worse as the population increases.

Wood, acting for the council sent a letter to C. W. Klassen, chief sanitary engineer for the state replying to his request for three lakes to be used as "guinea pigs" in the application of the law.

The letter follows:

Sept. 5, 1949
Mr. C. Klassen,
Chief Sanitary Engineer
Springfield, Illinois

Dear Sir:
State Representative Harvey Pearson has informed me that Senate Bill 77 promises to correct pollution in Illinois waters and that he has discussed this matter with you. At our meeting, Sept. 2, 1949, the Chain O' Lakes Region Council selected the most contaminated lakes in this area and as Mr. Pearson requested we are submitting the following three lakes for your survey: Third Lake, Deep Lake, Duck Lake.

The fast growing village of Grayslake is gradually polluting. Third Lake to the point where it may have to be quarantined. The sewage disposal plant at Grayslake empties into a stream that ends at Third Lake. A public picnic ground on the south shore of Third Lake also contributes to the contamination. Druce Lake flows into Third Lake and it is understood that open sewers are flowing into Druce Lake; also, a new picnic ground is to be opened there which will add further pollution as their plans for sanitation are alleged to be inadequate.

Deep Lake is known to be dangerously polluted due to sewage from the village of Lake Villa and improper sewage disposal of resorts on the lake. Lake Villa is being fined \$100 per day for this pollution.

Duck Lake waters are polluted due to two community sewers from Wooster Lake emptying there. The sewage disposal plant at Wooster Lake built some twenty years ago, primarily for use of summer residents only, is now obsolete and totally inadequate due to extensive home building.

I believe this information is what you need to begin this survey. However, please feel free to contact me for further aid to you or your men. Our organization's primary objective is clearing waters of pollution, and we certainly welcome your help in this matter.

Yours very truly,
W. J. Wood, Jr.
Rt. 2, Box 440
Lake Villa, Ill.

President Bartlett Ill

George B. Bartlett, president of the Village of Antioch, is critically ill at Victory Memorial hospital. He was taken ill two weeks ago.

Cars Collide at Grass Lake Road and Rte. 21 Saturday

Charles Burba of 722 S. Victory st., Waukegan, driving west on Grass Lake rd., failed to halt at a stop sign at Rte. 21 and crashed into a car driven by George W. Ksander, 443 Grandland Ave., Des Plaines, Saturday.

Burba suffered rib fractures and the Ksander children, Sally, 3, and William 14, suffered cuts and bruises. They were treated for their injuries at the office of Dr. C. P. Midgely.

Rescue squad bring or mail in at least five dollars each.

A donation to this cause is the finest and cheapest safety protection that could be had anywhere in the nation. Our thanks and congratulations to every member of the Rescue squad for their fine work, good luck and God Bless them.
W. H. Molter

Let Him Lead You

Six Bowling Leagues Will Open Season Here Sept. 12 at Recreation

Sixty teams in six leagues will start bowling next Monday at the Antioch Recreation lanes.

The leagues are the same as last year and will bowl on the same nights as last year.

A Sunday night mixed group league is planned for October. There are at present six teams in the league with prospects that it may go to 12.

The schedule for the season for the other leagues will be:

Monday night—Tavern league, 12 teams.

Tuesday night—Ladies Friendly league, 12 teams.

Wednesday night—Business men, 12 teams.

Thursday night—Business men, 12 teams.

Friday night—Women's Major league, 6 teams; men's major league, 6 teams.

The several years in which these teams have operated have developed some excellent bowlers, but most of the keggers while trying to attain good scores are enjoying their bowling more for recreation.

Antioch V.F.W. Loses Labor Day Game 6-4 to Zion Merchants There

The Antioch V. F. W. sponsored baseball team lost its Labor Day game to the Zion Merchants at that village before a large crowd by the score of 6 to 4.

The Zion team got six runs on six hits in the first three innings off Ace Dalgard, but when Lefty Bushing took the slab the Zionite scoring stopped abruptly.

Leading the attack for the victors was Don Ower, hard-hitting first baseman, who slammed out a homer and two singles to drive home three runs, while Ellis and Palenski shared the batting laurels for the vanquished visitors with two hits each. The feature swat for Antioch was a triple by Wells in the sixth inning.

Bushing Relieves

Dalgard started on the hill for the visitors and was touched for six hits and as many runs during the first three innings, but his successor, Lefty Bushing, took over in the fourth and finished up in brilliant style, blanking the home club on two hits in the closing five sessions, while his mates strove desperately to come from behind in the late innings.

Manager Gentler employed three hurlers in this contest with Homer McNabb hurling the first three innings, after which Lloyd Pierson and Bud Hammond each worked for three stanzas. McNabb yielded one run on five hits, Pierson gave up a single marker on two hits and Hammond was nicked for two tallies and three safeties.

Grass Fires Give Antioch Dept. Busy Weekend

Grass and rubbish fires kept the Antioch fire department busy over the weekend.

The department was called to North Shore Gardens at Lake Catharine Sunday afternoon in extinguishing rubbish fire.

On Friday the firemen were called to the Oetting resort at Channel lake at 12:45 in putting out a grass fire and at 7 p. m. to the Little Orchard farm west of Fox river on Rte. 173 in extinguishing another grass fire.

Opening of St. Peter's School Delayed Since Utilities Incompleted

B. F. Naber Given Board's Permission to Extend Utility Mains

Opening of St. Peter's parochial school was delayed until Monday or later when the sewer to the building was incompleted yesterday. The Rev. Francis Flaherty said that 200 pupils already have registered which is beyond his expectations.

Rain and other hindrances delayed the laying of the sewer main to the school grounds and this coupled with the fact that the workmen do not work on Saturdays or holidays accounted for the fact that on Tuesday the pipe was still 350 feet away from the school.

The pipe is but 8 inches, the village board having amended its plans as set forth in the call for bids calling for a certain amount of 10-inch pipe. Likewise a catch basin is to be established in exchange at Hillside and Orchard sts., through agreement with the contractor.

The village board Tuesday evening granted Barney Naber permission to extend the sewer and water mains to the south side of Rte. 173 and place laterals between the old Rte. 173 and the new road provided 10-foot easement space is granted the village for room to repair the line if needed. The easement was necessary because there will be no public road between the lots at this point.

Newlyweds Little Injured When Car Wrecked On Route 173; Squad Aids

The Antioch Rescue squad administered first aid to a Tuscola, Ill., newly married couple who escaped death or serious injury when their Frazier sedan was forced off the roadway and rolled over many times north of Rte. 173 on highway 45 Sunday night.

Mrs. Ted Cox, the bride, suffered a back injury, but was able to continue the trip to her new home with her husband Monday forenoon. She was the former Mary Elizabeth John of Marinette, Wis., a nurse, who was united in marriage last Thursday to Mr. Cox, a Tuscola resident, at Marinette.

Their car was a complete wreck and was left here while friends came after them. Their car was full of wedding gifts which they were taking to their new home. These served as a protection to them as they rolled over and over. A chair, undamaged was left here at the village hall to be picked up later.

The two were given medical attention by Dr. Irving Breakstone. They remained in Antioch for the night.

The identity of the motorist who was driving in the middle of the highway without lights causing the accident was not learned.

Vernon L. Nickell, State School Superintendent to Seek Re-election Next Year

Springfield, Ill.—(Special)—Vernon L. Nickell, Republican State Superintendent of Public Instruction, is quietly laying plans for his campaign for re-election in the 1950 campaign, although he has not yet announced his candidacy formally. Nickell, whose home is in Champaign, is well liked not only by his own party followers, but also by Democrats as well, as evidenced by a comment made recently by Milburn P. Akers, columnist for the Chicago Sun-Times, which usually has strong Democratic leanings.

Akers referred to Nickell as "a front runner no matter what the condition of the political track." The columnist also described the Democratic state administration's difficulty in finding a suitable opponent for Nickell, observing:

"Noble Puffer, former Cook County school superintendent and now state director of education and registration, wants to run for his old job in 1950 instead of attempting the unseating of Vernon Nickell, the state superintendent of public instruction. That, if Puffer can swing the county nomination, is a good choice. Running against Nickell, veteran educator, vigorous campaigner, and popular Republican, smacks too much of making a sacrifice race."

All Letter Men Back On Sequoit Squad as Contact Work Begins

Training of the Antioch Township High school football squad involved very little contact work during the past week, but scrimmage will start next week, Maurice Kruzan, coach, said today.

Coach Kruzan was pleased when Robert Wilton, 195-pound tackle, and Bernard Cosgrove, 170-pound guard, both lettermen, returned to the squad. This completed the return of the lettermen and improved the chances of the Sequoits considerably. Both passed their physical examinations.

Two new men to the squad this week are Robert McCann, a senior weighing 150 pounds, who is trying out for an end position, and Gordon Wells, another senior weighing 160 pounds who is suitable for a line position. Both have had no previous experience.

Matilda Hansen, 62, Is Heart Victim

Funeral services were held Wednesday from the Strang Funeral Home for Mrs. Matilda Hansen, 62, who died Sunday following a heart attack at her home at Channel Lake. She was born July 29, 1887 in Chicago, and came to Antioch to live thirteen years ago.

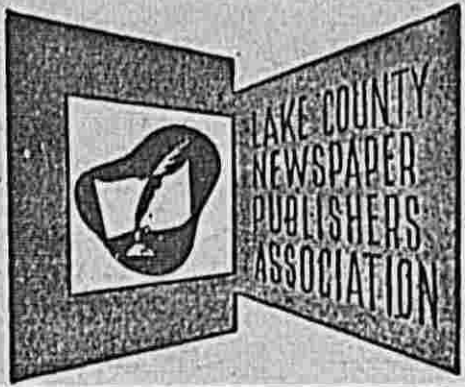

Survivors include her husband Oscar, a son, Roy Bickley, of Franklin Park; two daughters, Mrs. Eleanor Lopez and Mrs. Leona Micheline, both of Chicago; two brothers, Adolph and Paul Nemitz and four grandchildren.

The Rev. G. Richard Tuttle, pastor of the Antioch Methodist church conducted the services. Burial was in Hillside Cemetery.

Economic Highlights

Business Week, in one of its recent issues, said, "The six-month slide in business has ended . . . It's evident that a vigorous upward movement is under-way."

"The real question becomes: Is business going to climb back onto the upward slanting plateau of full employment it occupied from mid-1946 until the end of 1947? Or are we seeing nothing more than a brief rally, after which business activity will again begin to sag?"

"Whether or not it's just a rally or a real recovery, the upturn has now gained so much momentum that it's hard to see how it can fail to carry through most of the remaining months of 1949."

The magazine goes on to point out that the year-end will be a crucial period. At that time, accord-

ing to the forecasts, exports will drop, automobile sales—which have been a very important factor in keeping business and employment in many fields at high levels—will probably slacken to some degree, and spending by industry on new plants will be down. The hope is that the low in spending in these directions will be made up by an increase in others.

At any rate, Business Week cites a number of signs which indicate that business is now pulling out of the spring slump. Steel production has again risen. Electric power output, always one of the best business barometers, has also gained. So have rail shipments of manufactured articles. Textiles, which were deep in the doldrums a while back, show new life. And things seem to be looking up in the appliance industries.

Consumer income, during the first half of this year, was well ahead of last. And so was consumer spending. In that first half, retail sales were two per cent under the same period last year—but, Business Week says, this was "only because of price drops. Far from being frightened into retrenchment, consumers actually spent a larger proportion of their incomes than in the last half of 1948."

Personal savings are at record or near-record levels. This means that the public at large has the means to buy pretty much what it wants. It is probably true that, once prices started downward, many people deferred purchasing in the hope of really substantial drops. If the experts are correct, these hopes will probably not be fulfilled. Only very small price declines, as a general rule, are expected for the next six months or so. New wage demands, if successful, and continued record-breaking government spending, might reverse the trend and cause price increases. The experts have been wrong in the past, but it is worth recording that most of them are optimistic now.

WILMOT

Burial services were held at the Holy Name church Monday morning for Mrs. Isabel Bohm Dixon, of Ft. Lauderdale, Fla.

Nellie Hasselman was surprised Saturday morning when her son and wife, Mr. and Mrs. Wilbur Pollack, Sr., of Beloit, flew by plane to the George Hasselman farm and had breakfast with them.

Terry and Wilbur Pollack, Jr., of Beloit, spent the weekend with their grandmother, Nellie Hasselman.

Mr. and Mrs. Charles Schultz moved into their new store and residence Tuesday.

Mr. and Mrs. Herman Frank, Beverly, and Richard, Ronnie and Arlene Kunz motored to the Wisconsin Dells Thursday and enjoyed the boat trip.

Mr. and Mrs. Herman Frank and Bertha Harms were Monday supper guests of Mr. and Mrs. Roy Kufalk, of Antioch.

Mr. and Mrs. Roy Kufalk, Mr. and Mrs. Elmer Grabow spent Sunday

afternoon with Mrs. Bertha Harms. The latter folks just returned from a trip through the southern, western and northern states and Honolulu, Hawaii.

Mr. and Mrs. Harvey Brown attended the Elkhorn Fair Sunday.

Mr. and Mrs. Stanley Brown, of McHenry, were Labor Day guests of Mr. and Mrs. Harvey Brown.

Mr. and Mrs. Donald Brown spent Monday evening with Mr. and Mrs. Willis Freeman.

Mr. and Mrs. Irving Carey of Antioch, were Monday dinner guests of Grace and Erminie Carey.

Wilmot Legion ball team was defeated Sunday 9 to 7 in 11 innings by Silver Lake. L. Gandt, Jr., and J. Sorenson were pitchers and J. Schnurr catcher for Wilmot. H. Bierdz and M. Roberts for Silver Lake. Monday Wilmot defeated Racine Thompson 10 to 2.

Mr. and Mrs. Alfred Oetting, Carol and Linda spent Monday evening with Mr. and Mrs. Charles Oetting of Trevor.

Union Free High school enrollment is 326.
Teachers are as follows:
Malcolm Alby, Math.; Henrietta

Bayer, commercial; Enoch Brice, Science; Frank Bucci, biology and Phy. Ed.; Henry Frank, History and commercial; Rose Marie Hansen, Girls phy. ed., civics and social studies; Chester Knight, Ag.; Jane Kullander, English and social studies; Ramona Pearson, English; Ruth Miller, Home Economics; Angele Lavelle, Music and history; Kathleen Lewis, English and Spanish; Marlin Schnurr, principal.

SOCIETY EVENTS

PERRY SAITO TO BE MYF BANQUET SPEAKER TUESDAY

Rev. Perry Saito, popular youth leader, will be the guest speaker at the annual kick-off banquet of the Methodist Youth Fellowship at the Methodist church in Antioch next Tuesday evening at six o'clock. The date of the banquet has been changed from Sunday to Tuesday, Mrs. Perry Saito will sing a special solo for the occasion.

Rev. Saito is known to many of the Antioch young people. He has been one of the outstanding leaders at the Conference Point MYF camp at Lake Geneva. At the present time he is on the staff of the Wesley Foundation at St. Paul Methodist Church in Chicago serving student doctors and nurses at the University of Chicago.

The banquet will be served by the members of the Official Board of the Church. The program will get underway with a brief period of recreation preceding the dinner. Bob Kufalk will be Master of Ceremonies. The Young People's MYF of which Bud Cardiff is president is planning an interesting and varied program. The Senior MYF group is arranging for the decorations.

A large group of young people is expected at the banquet which heralds the beginning of Fall activities. Last year over 70 local youth were present. Leaders and advisors are engaged in planning the fall program with the first meeting of the three MYF groups scheduled to take place on Sunday, following the banquet.

LAKELAND PLAYERS TO PRESENT PLAY BY "EVELYN WILLIAMS"

The Lakeland Players, Antioch's Little Theatre group, will present, by special arrangement with Samuel French, "A Murder Has Been Arranged" as their Fall production. This play, a ghost story in three acts, is by Evelyn Williams, the prominent Welsh playwright, and has been presented professionally in London, England and Boston.

Performances will be at Antioch Township High school, according to Mrs. Arthur Meyer, director, on Wednesday and Thursday, Oct. 12th and 13th.

H. KEEFE, DIST. COMMANDER TO PRESIDE AT LEGION MEETING

Harry Keefe, District Commander, will preside at a meeting of the 10th District, American Legion to be held September 16 at the Legion home. A short parade, starting at the Grade school will proceed to the Legion home. The North Chicago drum and bugle corps, winners of first prize at the Illinois State Fair and second prize winners at the Illinois State convention and the 40-8 will participate in the parade.

MILLBURN UNIT TO HOLD MEETING FRIDAY, SEPT. 16

Millburn Unit of the Home Bureau will hold a meeting Friday, September 16, at the home of Mrs. W. Hoffman, Millburn. Mrs. Ray Laursen will be assistant hostess. This will be the first meeting of the season, the Unit enjoyed a vacation during the summer season. Mrs. Helen Volk Lake County Home advisor will be present and will give the lesson on "New Trends in Fabrics."

Mr. and Mrs. E. W. Kufalk and daughters, Ruth and Kathleen, returned home Monday after spending the past two weeks traveling through the eastern states, including Niagara Falls, and Canada. While in Washington D. C. they were the guests of Mr. and Mrs. Paul Howard and family, the Howards are former residents of Antioch. On their return trip they visited with the Rev. and Mrs. Warren C. Henslee, at their summer home at Rhinelander, Wis. Both the Howards and Henslees send greetings to their friends in Antioch.

Mr. and Mrs. John W. Horan, Jr., and Mrs. Ida Osmond spent the weekend with the Rev. Fr. William E. Strauser and family at Oskaloosa, Iowa and with Mrs. Osmond's niece, Mrs. Mat Hoffline at Muscatine, Iowa.

GEO. LEWIS DIES IN MINNESOTA

George Lewis, former resident of Antioch and for many years was owner of Lewis Drug store in Waukegan, died Monday in Alexandria, Minnesota, following a lingering illness. Funeral services were held today (Thurs.) at 2 p. m. in Alexandria.

MOTHER OF MRS. HANSEN DIES

Funeral services for Mrs. Annie Rowlinson, 84, of Crown Point, Ind., mother of Mrs. Olive Hansen of Antioch, were held from the Geisen Funeral Home in Crown Point Monday. Mrs. Rowlinson had made many visits to Antioch making her home with her daughter while here. She had been in ill health for some time.

Grass Lake Citizens Group Calls Meeting to Discuss School Matters Sept. 9

A public meeting to report to residents of School district 36 on the operation of their Grass Lake school has been called for 8 p. m. Friday, Sept. 9, at the school, Nathan Galloway, chairman, announced Tuesday.

The meeting is called by the Grass Lake Citizens group, a body that functioned last spring and will be an open session in which an opportunity of asking questions relative to the operation of the school will be given.

Galloway said all citizens and Parent Teacher association members in the district are invited to attend.

MRS. ALMA HARDEN BECOMES BRIDE OF F. LONDELT, SAT.

Mrs. Alma Harden of Antioch became the bride of Mr. Fidele Londert, of Zion, in services at Waukegan, Saturday. They were attended by Mr. and Mrs. Donald Cartwright, of Waukegan. Following the ceremony a wedding dinner was held at the Manor House, Sheridan Road, Waukegan. Mr. and Mrs. Londert left for a wedding trip to the Wisconsin Dells, on their return, they will make their home in Zion.

WE DELIVER

No Need for Emergency High School Permits I. E. A. Secretary Says

More than a million and a quarter children will enroll in the elementary and high schools of Illinois within the next ten days. The quality of the schools of today and the coming years will determine the extent to which the American way of life will be sustained.

Irving F. Pearson, executive secretary of the Illinois Education association, says that the pupils of the public schools of Illinois will, in general, have better educational opportunities than have been provided for many years. These better educational opportunities are due to the better trained teachers, better educational equipment and better supervision. The improvements are made possible in part by the increased State support and by increased local funds.

Mr. Pearson feels that with the increased number of teachers who have completed their college training plus the number who are remaining as high school teachers, that there will be practically enough teachers in all high school fields except; home economics, agriculture, library, vocal and instrumental music, girls physical education, or in instances of difficult subject matter combinations. It is his opinion that there will be little or no need for emergency high school certificates, except perhaps for shortages indicated. Due to the lag in preparation of elementary teachers, the increased birth rate, working conditions which are sometimes unsatisfactory and failure in some areas to pay the same salaries for elementary and high school teachers that there will continue to be a shortage of teachers for kindergarten to sixth grade for several years to come.

Mr. Pearson calls attention to the fact that reorganization has reduced the number of teachers in one-teacher school districts, but that the enriched program of studies demanded by the people in reorganized districts makes the need for better trained teachers imperative.

Delegates Return From Successful American Legion Nat. Convention

Mr. and Mrs. John Horan arrived home by plane Friday from Philadelphia where they served as delegates at the national convention of the American Legion.

They reported that the Illinois delegation made a good showing in the parade and got a big round of applause from the crowds that lined the line of march. Charles Prizer, Highland Park, retiring commander had charge of the second division parade and was assisted by Jason officers, Horan and Harry Jefe of Gurnee, district commander.

The division parade included the Sharvin post Red Jackets, bugle and drum corps, colors and guards marchers from the 10th, 11th, 12th and 13th districts; Jerry Havelka, Fox Lake one-man band; and the U. S. S. Illinois, Watertown battle ship on wheels; and the Joliet band.

The Lake county delegation with but one exception voted for Craig, Brazil, Ind., lawyer, who was made national commander. The vote of the Illinois delegation was 213 for Craig and 19 for Green.

Conference to Consider Health Department in County Set For Friday

A conference in considering the question of establishing a county health department in Lake county will be held in Waukegan tomorrow according to the state division of department reports.

Each meeting will provide information regarding the services of county health departments, the cost of such services and how such a department may be set up in any county.

At the present time 24 counties in Illinois have county health departments.

NOTICE OF SALE

Lucile Thornton to Teach At Adult Night School at Waukegan Township High

Mrs. Lucile Thornton of Thornton's Fly Tying school, Antioch, will teach a course in fishermen's fly tying at the adult evening school, Waukegan Township High school during the first semester starting Sept. 26. Registration will be on Sept. 19 and 20.

The course is one of many which will be provided at night classes in the Waukegan school. Many of the courses of industrial, commercial and liberal arts nature fitting into the school's regular program will be credited, but Mrs. Thornton's course will not be for credit.

Her course is for the beginner or amateur who wants to develop ability to make his or her own flies or develop a leisure time activity or hobby.

Courses which will be offered if enough pupils are obtained are:

Industrial—Machine shop, technical drawing, industrial electronics, radio, blueprint reading, welding, and printing.

Commercial—Shorthand, typing, accounting, arithmetic, letter writing.

Mathematics—Algebra, trigonometry, arithmetic (any grade), plane geometry, machine shop, carpentry mathematics and refresher math.

Languages—English, French, German and Latin.

Science—Biology, physics and chemistry.

Social studies—United States history, civics and sociology.

Homemaking—Sewing, cooking, upholstery.

Music and art—Beginning art, ceramics, textile, painting, leather craft.

Speech—Effective speech and lip reading.

Non-Credit Courses

Physical Development—swimming, gymnastics, ball room dancing, charm and modeling, bridge, fly tying.

Lecture Courses—Law for laymen, Human relationships in business and industry, safety engineering, music appreciation, business organization and management, interior decoration, color in the home, self appraisal, highlights in American history, practical psychology, time and motion study, photography, basic philosophy, traffic management, planning for hospitality.

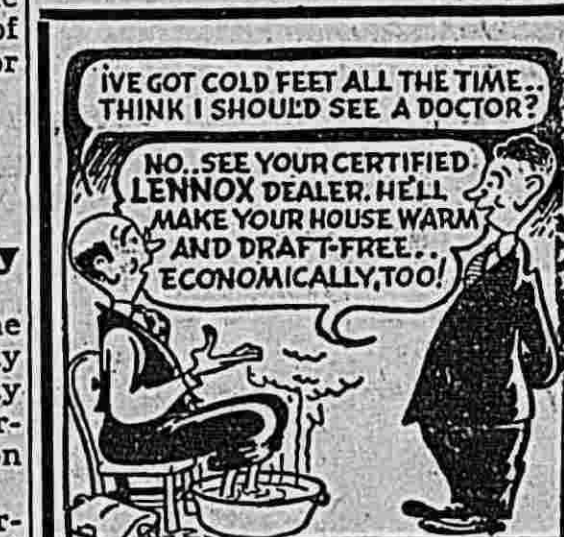

Fees runs from \$5 to \$11 a course. George W. Osburn is the director.

Black Face Program Tonight

The curtain will rise at 8 o'clock this evening on the Black Face Fun night program at the high school auditorium under the sponsorship of the Woman's Society of Christian service. The entertainment will provide much fun and some of the village's best talent has been called in to insure its success. The public is urged to attend.

Hunter Installs Pumps

Although his new garage and restaurant is far from being completed, Elmer Hunter has his gasoline pumps in operation at his new place east of the village on Rte. 173. He is handling the same kind of gasoline that he did when he was located on Main St.

on charges of being a nuisance.

Walter I. Scott reported to the board that the action of the younger boy in molesting a small girl had been reported to the state attorney's office and that Attorney Harry Hall had promised action declaring the child a delinquent.

A petition is being circulated asking that Judge Minard E. Hulse cause an investigation of the children on the basis of their being a

nuisance, and the fact that the boys have not attended school.

A petition was filed in the county court today by Harry R. Breger, assistant state's attorney, seeking to declare Richard Ott a delinquent. The hearing has been set by Judge Hulse for Saturday.

It was said that the father of the children is ready to fight any kind of court action.

LAKE VILLA

The sermon topic for next Sunday's worship service at the Community church is "The Refiner's Fire," announced by Rev. T. E. Rodd at 11 a. m. The beautiful new communion table given by Mrs. Elizabeth Eaton in memory of her husband, George Eaton, a member of the Community church, will be dedicated next Sunday.

The W. S. C. S. canned fruit for Lake Bluff Orphanage at the church kitchen last Wednesday. Those who wish to donate fruit from their own stores may do so. The ladies will can at the church kitchen again soon.

Mrs. Elmer Oeklers was in Chicago this week with her 5½-year old son who was severely burned a few weeks ago when he came in contact with live wires in a tree he had climbed, and had it not been for the quick thinking and assistance of Mrs. Harry Brownlee, the consequences might have been very serious. As it is he has burns on his legs which have not yet healed and his hands are rigid, so are getting treatment.

Mr. and Mrs. Edward Meyer, their daughter and family, of Chicago, were guests of Mr. and Mrs. Albert Kapple on Tuesday last week.

Mrs. Charles Kelly entered a hospital in Kenosha on Monday for surgery and was a patient there for several days.

Mr. and Mrs. Neil Reidel and daughters enjoyed a motor trip through Illinois and Iowa over the Labor Day holiday.

Mrs. Juanita Fay Bergman flew in from Los Angeles, Calif., last Saturday to attend funeral services for her father, Harry Nickerson, and her brother, Gene, who is with the Marines, stationed at N. Carolina, also was able to come for a few days.

Harry Nickerson, well known resident of Lake Villa, passed away

early Friday morning at his work of a heart attack. He has served in different capacities in the village and had many friends, who will miss him. Besides his wife, Mary, he is survived by his mother, who lives in Indiana, two daughters, Mrs. Helen Hanson, of Grayslake, and Mrs. Juanita Bergman of California, two sons, Russell, of Lake Villa, and Gene, in the Marines, also five grandchildren. Funeral services were held at the Strang funeral home in Antioch Monday afternoon with Rev. T. E. Rodd of Lake Villa officiating and burial was in Angolia Cemetery at Lake Villa.

Mrs. Phillip Wagner, Jr., was a surgical patient at St. Therese hospital last week and is convalescing at her home.

Mr. and Mrs. Alfred Hanson and two of their grandchildren, Jackie and Jeannette Choje, of Milburn, returned last week from a pleasant auto trip into Iowa, northern Wisconsin, Minnesota, and Michigan.

Mr. and Mrs. Harry Pavel are receiving congratulations on the birth of their third daughter at the Condon hospital in Libertyville on Thursday, Sept. 1st.

Mr. and Mrs. Henry Nader drove to Fond du Lac, Wis., last Friday afternoon and spent the time until Monday evening with Mrs. Nader's sister and family, the Hasslers.

Mr. and Mrs. John Larson, of Barrington, nee Rosemary Slazes,

are receiving congratulations on the birth of a 9 pound son at Victory Memorial hospital on Saturday, Sept. 3. Mrs. Larson has been with her parents, Mr. and Mrs. Frank Slazes for the past few weeks. Mr. and Mrs. Wm. Somers, of Vil-

la Woods subdivision had their son and family from Chicago as guests over the Labor Day holidays, and Barbara Somers, who has been with her grandparents for the past two months returned home.

1949 50 THIRTY YEARS OF SERVICE AT A SAVINGS 1949

Polio Foundation Asks Dimes and Dollars Now to Pay for Patient Care in Epidemic of Infantile Paralysis Throughout Country

With thousands of children and adults in hospitals today as the result of current widespread polio epidemics, and with as many new cases likely to develop in the months just ahead, the National Foundation for Infantile Paralysis has launched a Polio Epidemic Emergency Drive to provide immediate funds for patient care.

The price-tag on this year's epidemic will be so enormous, according to Basil O'Connor, National Foundation President, that \$14,500,000 must be raised to meet the national polio bill. During 1948, when there were 27,908 cases in the country, the highest number since the record total in 1916, the National Foundation and its Chapters spent \$17,000,000 in March of Dimes funds to provide epidemic services, he said. With even more cases this year, it looks as though it may cost \$25,000,000 in 1949 to pay for that part of medical and hospital care which families cannot pay themselves.

By the end of August, as much money had been advanced in epidemic aid to National Foundation Chapters whose March of Dimes funds have been exhausted by the cost of care as was sent in all of 1948. The nation's total number of cases now is as large as a full year's toll in previous years, with predictions for at least double that number before December 31.

Furthermore, it is estimated that a minimum of \$5,000,000 will be required to continue helping 1948 patients who still need clinic or hospital treatment. The National Foundation gives assistance as long as medical care is necessary, regardless of age, race, creed or color. The money raised in the Polio Epidemic Emergency Drive will be used exclusively for services to polio patients in all states, Mr. O'Connor said. Contributions may be mailed to POLIO, care of your local Post Office.

"This emergency drive is our only hope of providing care for patients without slowing up scientific research and professional education programs of the National Foundation," Mr. O'Connor explained. "It is an ironical fact that this heavy incidence,

severely taxing March of Dimes resources, comes at a time when the nation's leading scientists are more hopeful of finding an answer to the problem than ever before.

"Scientists working under 68 March of Dimes grants at top medical and educational institutions are waging the largest research attack ever attempted against a single disease in this country, supported by March of Dimes funds. We must not interrupt the search for a solution because of lack of funds. We must—and we shall be able to do both jobs—help pay for the care of the stricken while finding a means of prevention or control—if the American people contribute now to carry the work through until the next March of Dimes in January."

Progress since 1938 when the National Foundation was formed, was indicated by Mr. O'Connor as follows:

More than \$23,500,000 has gone into a comprehensive research and education program, seeking control of polio and training of experts—virologists, orthopedists, pediatricians, public health physicians, nurses, physical therapists, and other medical workers who make up the professional army now battling the disease in laboratories and hospital wards.

At least \$58,000,000 had gone for patient care, prior to 1949, in payment of polio bills families could not meet themselves; in staffing and equipping polio centers for modern care and treatment, in establishing equipment depots in six strategic locations throughout the country from which respirators, hot packs, machines, beds, cribs and other emergency supplies can be rapidly dispatched to hard-hit areas. "We know now that fully 75% of those stricken make good recoveries if good treatment is available," Mr. O'Connor said. "Surely no one would deny a child a three-to-one chance for recovery because of lack of money."

The address is POLIO, care of your local Post Office. Send as much as you can—as fast as you can—today!

Discovery of Oil

Oil was discovered in America hundreds of years ago, but it was not until 1859 that it became sufficiently useful and valuable for men to bore into the earth for it, according to National Patent Council. Earlier, pioneers drilling for salt were furious when they found the black, sticky fluid in their wells instead.

Chigger Bites

Chiggers do not burrow under your skin to feast in privacy contrary to common belief. The itching sensation comes from a tiny spurt of saliva which the chigger injects when he bites you.

Hot and Cold

Illinois has, on the average, hot summers, cool to cold winters, and rather abundant rainfall throughout the year.

Old Linoleum

Varnish old linoleum at six-month intervals to preserve its life and color.

Meals cook... without a look!

...with a Modern GAS Range!

It's true! Your modern GAS range gives you new leisure. Just pop your dinner into the oven before you leave the house... the range turns itself on... cooks the meal for the required time... and turns itself off. You return to a piping hot meal, all ready to serve. This is the modern automatic cooking you've been waiting for! You'll like the way the burners, oven and broiler all light automatically... and you'll like the economy of today's GAS ranges, too! When you're ready to replace your old range, be sure to see the new GAS ranges first.

Look for these aids to better cooking on the Modern GAS ranges

- One-piece top... for easy cleaning.
- Variety of top burner arrangements.
- Utensil compartment and drawers.
- Automatic, self-lighting burners adjust to exactly the cooking speed you want.
- Electric clock keeps tab of the time for you.
- Smokeless, controlled flame broilers for the most satisfactory broiling you've ever experienced.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

MILLBURN

Rev. L. H. Messersmith has chosen "Where will our Morals Lead Us," as his sermon topic for Sunday Sept. 11. This service will be dedicated to those who will be going back to school this year.

Members of the church board will meet at the church Wednesday evening at 8 o'clock.

Mrs. Nellie Murrie spent the past week at the Ernest Wells home on Grand Ave.

Mrs. Helen Christiansen and children spent Monday with her parents, Mr. and Mrs. Oscar Neahous.

Mr. and Mrs. Vernon Stahnke returned to their home in Champaign, Ill., Sunday after a week at the Leslie Bonner home.

Miss Agnes Wincell, of Milwaukee, spent the weekend with her sister, Mrs. W. C. Upton.

Mr. and Mrs. C. P. Weber and daughter, Sharon, and Mr. and Mrs. Clifford Weber, Jr., and daughter,

Diane, spent two weeks with Mr. and Mrs. Orva Anderson in Richland, Penn., and at a lake resort at Hazelhurst, Wis.

Mr. and Mrs. Howell Kenimer

spent several days with relatives in Michigan.

Mr. and Mrs. Frank Hauser spent the weekend with Mr. and Mrs. Ray Hauser at Stephenson, Mich.

Mr. and Mrs. Robert Clark spent the weekend with relatives in Min-

erva, Ohio. Mrs. Ida Truax and Mrs. Addie Lucas returned home with them after three weeks visit with relatives in Ohio.

Mr. and Mrs. Robert Erwin, of Waukegan, spent Monday afternoon at the Frank Edwards home.

Mr. and Mrs. Tom Harness and daughter, Virginia, returned Sunday evening from several days visit with Mrs. Harness' parents, Mr. and Mrs. C. C. Nelson at Brookston, Ind.

Dean Weber, of Chicago, and Pfc. Duane Weber, of Scott Field, Ill.,

and Misses Betty and Mary Ellen LaVigne, of Chicago, spent Sunday and Monday at the C. P. Weber home.

Mr. and Mrs. Curtis Wells, of Rt. 173, spent Sunday evening at the Savage home.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Only one word fits it - Wonderful!

You know how it usually is—slow and steady is the rule in automotive progress.

But every now and then it happens. Along comes a car that's new all over—like this one—and headlines sing the news.

Take the styling of it—fresh and smart and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it—handy in traffic, easy to garage, actually more room and a sweeter ride in fewer over-all inches.

Step inside—and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom.

Try the power of big 110 or 120 hp high-compression Fireball engines—sample the restful levelness of a ride that sets the standard for the industry.

Check controls—and note really big news: The luxury of Dynaflo Drive*—newest, simplest and smoothest of all modern transmissions—is optional equipment, available now at the lowest price level yet!

*Optional at extra cost.

Finally, look at the price tag. Measure its figures against others—and see if any car, even in the lowest-price field, gives you so much of what you want for each dollar you invest.

Tops in style, tops in room, tops in lift and life and traveling ease, a trip to your Buick dealer will show you this is wonderful in value too!

For the biggest buy of this year—and many a year to come—better go now and get your order in!

TEN-STRIKE!

Only Buick SPECIAL has all these Features!

TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLO DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORE AND AFT • SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISHER

Theo Hartwell Thorne
A British Biblical scholar spent 17 years of labor counting every verse and every word and every letter of the Old and New Testaments for the purpose of compiling this tree full of Bible lore.

The Bible contains 3,566,480 letters, 773,603 words, 31,102 verses, 1,189 chapters and 66 books. The longest chapter is the 119th Psalm; the shortest and middle chapter the 117th Psalm. The middle verse is the 8th of the 118th Psalm. The longest name is in the 8th chapter of Isaiah. The word "and" occurs 46,277 times; the word "Lord" 1,855 times. The 37th chapter of Isaiah and the 19th chapter of the Second Book of Kings are alike. The longest verse is the 9th of the 8th chapter of Esther; the shortest verse is the 35th of the 11th chapter of John. In the 1st verse of the 7th chapter of Ezra is the alphabet. The finest piece of reading is the 28th chapter of Acts. The name of God is not mentioned in the Book Esther. It contains knowledge, wisdom, holiness and love.

... ..

In the Great Seal of the U. S. there are 13 stars, 13 stripes, 13 arrows in the eagle's talon; 13 clouds in the glory; 13 letters in the motto; 13 laurel leaves; 13 berries on the branch; 13 feathers in each wing; 13 feathers in the tail.—Boys' Life.

... ..
"A," although one of the most frequently used letters of the alphabet would not be used once in writing the words for every number from one to 999.

... ..

In Washington's Time—

Macaroni was so popular in George Washington's time that the name became a byword for anything good or excellent (as in the old song, "Yankee Doodle" . . . stuck a feather in his hat and called it "macaroni."

... ..

Grey Hairs—

Bo McMillen, the old Center College football star, was pondering over a licking his team had taken the previous Saturday. His waitress pined beside him. "What you lookin' so glum for, Mr. McMillen," she asked. "See these grey hairs?" the coach replied, pointing to his whitening thatch. "I'm worryin' about how my pore little boys is goin' to do next Saturday. 'What's grey hairs?' the girl shot back. "You've still got a good heart, ain't you? Never mind the snow on the roof as long as there is a fire in the furnace."

... ..

Bowling—

Four men have rolled two consecutive 300 games in bowling. Frank Carvana in 1924, John Almer in 1931, Charles Daw in 1937 and Hank Marino in 1944. These games were rolled in sanctioned league play.

... ..

Earth's Curvature—

The farthest you can see an oceanliner offshore when you are standing at sea level and when visibility is good is about 2 1/4 miles. THE CURVATURE OF THE EARTH is approximately eight inches per statute mile.

... ..

This Week's Quiz—

bed
WHAT IS IT? Answer next week. Answer to last week's quiz. What president of the U. S. lost his clothes while swimming in the Potomac river? John Q. Adams clothes and money were stolen by a tramp while he was taking a morning swim.

... ..
We are just plain humble folks in our shop—but we just can't help but be a bit boastful about our "Service." It has taken us years to bring our shop to that point of perfection, where we can truthfully describe it as a supreme service. Yes—that's a big order to live up to, but we all here enjoy the challenge. Visit our show room and shop and prove to yourself why we are so proud of our work.

For You Who Are 5' 5" or Under
We Proudly Present the New
Georgiana PETITES
With all her famous know-how in the world of fashion, Georgiana now turns her talents to especially proportioned dresses for the shorter figure. Now, you too, can enjoy the feminine flattery of Georgiana daytime dresses that are founded on quality from fabric to finish . . . and we're happy indeed to invite you to see this first Fall collection of Georgiana Petites. Sizes 10 to 20.

500 QUIZ: Who "rides" to school on a boxcar?
OVER 1,000,000 grade school children annually get a "free ride" to school on part of the taxes paid by America's railroads. In 1947 this tax bill amounted to \$936,395,000. To pay it the Class 1 railroads performed 87,026,000,000 ton-miles of freight service . . . worked 39 days to meet their obligation! We're glad to pick up our share of the bill. The Soo Line pays its own way as a business; pays, too, for its own right of way. And, through taxes, helps send children to school in your home town.
V. J. Keeney, Agt.

\$OO DINE Your Working Partner 7 Days a Week

\$100,000 in Prizes
IN THE FORD CAR-SAFETY CONTEST
Enter Now!
Beat the rush. Get your entry blank and free car-safety check now. You can be one of the lucky winners!
HERE'S ALL YOU DO!
(No matter what make of car or truck you own)
1. Drive in to see us, or any Ford Dealer displaying poster shown below.
2. Ask for our Free Car-Safety Check. We'll check brake pedal reserve, steering linkage, tires, lights, muffler, horn, springs and shock absorbers, windshield wiper, glass discoloration, mirror and other safety points—all at no cost or obligation to you! Then we'll give you a Free Safety insignia, and an Entry Blank.
3. Then, in 50 words or less on entry blank, finish this statement: "All cars and trucks should be safety-checked periodically because . . ."
4. Mail entry before midnight, October 31, to Ford Car-Safety Contest Headquarters, Box No. 722, Chicago 77, Illinois.
5. Use only official entry blank obtained at any Ford Dealership displaying the poster shown below. Print clearly your name and address.
6. Contest limited to the continental U. S. and Alaska.
7. Prizes as stated on entry blank, will be awarded on the basis of accuracy, originality, and aptness. Judges' decisions are final. Duplicate prizes in case of ties. Entries must be submitted in the name of the registered owner or his designated representative. Only one entry per car or truck may be considered. All entries become the property of Ford Motor Company. Contest subject to Federal, State and local regulations and to contest rules on entry blank.
8. Winners' names will be posted at all Ford Dealers not later than December 1, 1949.
9. Contest is open to all residents of United States, except employees of Ford Motor Company, Ford Dealers, their advertising agencies or their families.
10. Here's your chance to win one of these 700 valuable prizes and make the highways safer in the bargain.
11. YOU GET THIS ATTRACTIVE REFLECTOR INSIGNIA FREE
12. LET'S TAKE IT EASY
13. Enter FORD'S \$100,000 Car Safety Contest Today!

State Central Committee
To Meet Sept. 22 to Plan
1950 Republican Campaign

Springfield, Ill., Sept. 7.—(Special) The Illinois Republican State Central Committee and the Illinois Republican County Chairmen's Association will hold a joint meeting at the Elk's Club in Springfield on Thursday, Sept. 22, to discuss further details for the Republican party's 1950 campaign in Illinois.

Announcement of the meeting was made by Carlos W. Campbell, Springfield, chairman of the state central committee, following conferences with John W. Spence, Geff, chairman of the county chairmen's group, and John Leonard East, Chicago, chairman of the Republican Central Committee of Cook county.

In addition to the 26 members of the state central committee and the 102 members of the chairmen's association, Republican ward committeemen from the Chicago area will also attend.

Chairman Campbell described the meeting as a "coordinating program" to bring into closer cooperation the various Republican organizations responsible for planning campaign activities "with a view to strengthening precinct and county groups."
